Karen Lui, RN, MS**

TABLE OF CONTENTS

Section 1 – Administrative Considerations	
	<i>Page</i>
Signature Pages	1
Mission Statement	3
Philosophy	4
Participant Rights	7
Rights and Responsibilities Form	8
Diversity and Culturally Competent Care	9
Definitions	14
Organizational Chart	19
Establishing a Cardiac Rehabilitation Program	20
Benefits of Cardiac Rehabilitation	27
Section 2 – Staff	
Professional Staff Policy	29
Staff Competency Policy	33
Competency Assessment Tools (see also pp 522-539)	46
Staff Annual Review Policy	51
Staff Annual Review Tool	54
New Staff Member Orientation Policy	58
Orientation Checklist	60
Goals, Action Plan	63
Reading List	64
Department Scavenger Hunt	67
Places to Go	69
Job Descriptions	70
Leadership	70
Medical Director	70
Program Director	73
Core Staff	76
Registered Nurse	76
Clinical Exercise Physiologist	79
Physical Therapist	82
Contributing Staff	85
Exercise Specialist	85
Nutritionist/Dietician	87
Behavioral/Mental Health Specialist	89
Pharmacist	91
Respiratory Care Practitioner	93

Occupational Therapist	95
Social Service Worker	97
Support Staff	99
Certified Nursing/Medical Assistant	99
Volunteer Staff	101
Participant Volunteers	101
Volunteers/Student Interns	103

Section 3 – Student Internships

Student Internship Policy	105
Letter and Application	113
Welcome Letter	116
Expectations	117
Performance Evaluation	118
Intern's Evaluation of Experience	122

Section 4 – Facilities, Equipment, Supplies, Infection Control

Facilities	124
Equipment	129
Equipment Maintenance Schedule	133
Cleaning and Calibration Checklist	135
Supplies	136
Infection Control	137

Section 5 – CQI and Outcomes

Continuous Quality Improvement (CQI) Policy	142
CQI Operations Checklist	151
Surveillance/Untoward Event Tracking	158
Sample Tracking Forms	161
Sample Report	166
Program Certification Policy	167
Outcomes Measurement and Data Management	173
Cardiac Rehabilitation Outcomes Matrix	183
Sample Individual Summary Report	185
Sample Programmatic Summary Report	186

Section 6 – Reimbursement

Reimbursement Policy	187
Insurance Pre-Certification Form	190
Waiver of Financial Responsibility	191
Reimbursement Terminology	192

Section 7 – Safety and Emergency Considerations

Safety and Emergency Protocols	196
Emergency Event Record	209
Emergency Drill Record	210
Emergency Standing Orders	211
Emergency Equipment and Supplies	222
Code Cart Equipment and Supplies Inventory	228
Daily Code Cart Checklist	230

Section 8 – GXT and Exercise Prescription	
Graded Exercise Testing Policy	231
Guidelines for Graded Exercise Testing	252
Pre-Participation Screening Algorithm	255
Exercise Responses and Significance	256
RPE, RPD, Angina Scales	257
Evaluation Form	258
Treadmill MET Estimations	259
Bicycle Ergometer MET Estimations	263
Graded Exercise Testing Informed Consent Policy	264
Sample Form	265
Exercise Prescription Policy	267
Exercise Prescription Document	279
MET Tasks Estimations	280

Section 9 – Referral, Selection, Risk, Telemetry and BP	
Physician Referral Policy	284
Physician Referral Form	285
Participant Selection and Exclusion Criteria	286
Risk Stratification	289
Telemetry Monitoring Policy	296
Blood Pressure Monitoring Policy	301

Section 10 – Informed Consent and Orientation	
Informed Consent Policy	306
Sample Form	308
Orientation to Cardiac Conditioning	311
Orientation Checklist	314
Welcome Letter	316
Date and Time Notice	317
Class Schedule of Events	318
Educational Schedule	319

Section 11 – Inpatient Cardiac Health and Rehabilitation	
Inpatient Cardiac Health and Rehabilitation Policy	320
Activities After Discharge	331
Inpatient Education Assessment	333
Inpatient Teaching Record	334
Heart To Heart	336
Options After Discharge	337
Discharge Criteria	339

Section 12 – Early Outpatient and Maintenance Services	
Early Outpatient Cardiac Health and Rehabilitation	343
Therapeutic Lifestyle Change (TLC) Policy	360
TLC Decision Tree	371a
Sample TLC Tools	372
Psychosocial Considerations and Interventions	377
Sample Psychosocial Tools	383

Physician Supervision and Involvement Policy	386
Sample Supervision and Involvement Tools	391
Sample Programmatic Tools	396
Exercise Record	396
Educational Evaluation and Assessment	397
Teaching Record	399
Educational Class Schedule	401
Heart To Heart	402
Options After Discharge	403
Discharge Criteria	405
Maintenance Services	409

Section 13 – Termination of Exercise and Progress Reporting

Termination of Outpatient Exercise	419
Progress Report Policy	421
Sample Reports	424

Section 14 – Special Populations and Considerations

Special Participant Populations	426
Heart Failure & Left Ventricular Dysfunction	426
Transplant	432
Arrhythmia, Pacemaker, ICD	437
Diabetes	442
Peripheral Arterial Disease	450
Age & Gender Considerations	455

Section 15 – Strength Training and Return to Work/Life

Strength Training Policy	463
Return to Work/Return to Life (RTW/RTL) Policy	468
Work/Occupation Evaluation	473
RTW/RTL Activity Worksheet	474

Section 16 – Home Exercise

Home Exercise Programs	475
Individualized Participant Program – Exercise Rx	477
Home Exercise Log	480
Exertion and Enjoyment Scales	481
Warm-Up Suggestions	482
Cool-Down Suggestions	483
Stretching Examples	484

Section 17 – Documentation and Record Keeping

Documentation and Record Keeping Policy	486
Sample Forms	491
Initial Intake Assessment Staff	491
Participant Health History	497
Profile Page	501
Comorbidity Index	502
Problem List	503
Goal List	504

Plan Of Care	505
Goal Record	506
Written Agreement	507
Patient Care Conference	508
Risk Factor Assessment	509
Exercise Efficacy Assessment	511
Exercise Enjoyment Scale	512
Dietary Questionnaire	513
Efficacy Questionnaire	515
Perceptions Questionnaire	516
Activities Questionnaire	517
Participant Evaluation/Satisfaction	518
Event Occurrence – Surveillance Log	521
Competency Assessment Tools	522
Age Specific Considerations	522
Arrhythmias	525
Blood Pressure	528
Cardiac Medications	530
Exercise Physiology	532
Nutrition	534
Oximetry	536
Defibrillator	538
Glucometer	539
Professional Staff Productivity Worksheet	540

Section 18 – Resources and References

Organizations and Resource Groups	541
Bibliography and Selected References	546
