

**Cardiac Health, Rehabilitation & Secondary Prevention
POLICIES AND PROCEDURE GUIDELINE MANUAL – 5th Edition**

**Jody C Heggstad Hereford, BSN, MS, FAACVPR
Karen Lui, RN, MS, FAACVPR**

TABLE OF CONTENTS

<i>Section 1 – Administrative Considerations</i>	
	<i>Page</i>
Signature Pages	1-1
Mission Statement	1-3
Philosophy	1-4
Participant Rights	1-7
Rights and Responsibilities Form	1-8
Diversity and Culturally Competent Care	1-9
Definitions	1-14
Organizational Chart	1-18
Establishing a Cardiac Rehabilitation Program	1-19
Benefits of Cardiac Rehabilitation	1-26
<i>Section 2 – Staff</i>	
Professional Staff Policy	2-1
Staff Productivity Worksheet	2-5
Staff Competency Policy	2-6
Staff Competency Evaluation Form	2-13
Staff Competency Assessment Checklist	2-26
Competency Assessment Tools/Checklists	2-26
Age Specific Considerations	2-27
Arrhythmias	2-29
Blood Pressure	2-32
Cardiac Medications	2-34
Defibrillator	2-36
Exercise Physiology	2-37
Glucometer	2-39
Nutrition	2-40
Oximetry	2-42
Staff Annual Review Policy	2-44
Staff Annual Review Tool	2-47
New Staff Member Orientation Policy	2-51
Orientation Checklist	2-53

Policy and Procedure Checklist	2-56
Goals, Action Plan	2-60
Reading List	2-61
Places to Go	2-66
Department Scavenger Hunt	2-67
Job Descriptions	2-69
Leadership	2-69
Medical Director	2-69
Program Director	2-72
Core Staff	2-75
Registered Nurse	2-75
Clinical Exercise Physiologist	2-78
Physical Therapist	2-81
Contributing Staff	2-84
Exercise Specialist	2-84
Nutritionist/Dietician	2-86
Behavioral/Mental Health Specialist	2-88
Pharmacist	2-90
Respiratory Care Practitioner	2-92
Occupational Therapist	2-94
Social Service Worker	2-96
Support Staff	2-98
Certified Nursing/Medical Assistant	2-98
Volunteer Staff	2-100
Participant Volunteers	2-100
Volunteers/Student Interns	2-102

Section 3 – Student Internships

Student Internship Policy	3-1
Letter and Application	3-8
Welcome Letter	3-10
Expectations	3-11
Performance Evaluation	3-12
Intern’s Evaluation of Experience	3-16

Section 4 – Facilities, Equipment, Supplies, Infection Control

Facilities	4-1
Equipment	4-6
Equipment Maintenance Schedule	4-10
Cleaning and Calibration Checklist	4-12
Supplies	4-13
Infection Control	4-14

<i>Section 5 – CQI and Outcomes</i>	
Continuous Quality Improvement (CQI) Policy	5-1
CQI Operations Checklist	5-10
Surveillance/Untoward Event Tracking	5-17
Surveillance Tracking Options	5-20
Sample Daily Tracking Report	5-22
Sample Weekly Tracking Report	5-23
Sample Yearly Tracking Report	5-24
Surveillance Sample Report	5-26
Program Certification Policy	5-27
Outcomes Measurement and Data Management	5-33
Cardiac Rehabilitation Outcomes Matrix	5-43
Sample Individual Summary Report	5-45
Sample Programmatic Summary Report	5-46
<i>Section 6 – Reimbursement</i>	
Reimbursement Policy	6-1
Insurance Pre-Certification Form	6-4
Waiver of Financial Responsibility	6-5
Reimbursement Terminology	6-8
<i>Section 7 – Safety and Emergency Considerations</i>	
Safety and Emergency Protocols	7-1
Emergency Event Record	7-14
Emergency Drill Record	7-15
Emergency Standing Orders	7-16
Emergency Equipment and Supplies	7-31
Code Cart Equipment and Supplies Inventory	7-36
Daily Code Cart Checklist	7-38
<i>Section 8 – GXT and Exercise Prescription</i>	
Graded Exercise Testing Policy	8-1
Guidelines for Graded Exercise Testing	8-19
Exercise Responses and Significance	8-22
RPE, RPD, Angina Scales	8-23
GXT Evaluation Form	8-24
Six Minute Walk Test	8-25
Treadmill MET Estimations	8-26
Bicycle Ergometer MET Estimations	8-28
NuStep MET Estimations	8-30
Graded Exercise Testing Informed Consent Policy	8-34

Sample Form	8-35
Exercise Prescription Policy	8-37
Exercise Prescription Document	8-47
MET Tasks Estimations	8-48

Section 9 – Referral, Selection, and Monitoring

Physician Referral Policy	9-1
Physician Referral Form	9-3
Participant Selection and Exclusion Criteria	9-4
Telemetry Monitoring Policy	9-8
Blood Pressure Monitoring Policy	9-13
Oxygen and Oximetry Monitoring Policy	9-18

Section 10 – Informed Consent and Orientation

Informed Consent Policy	10-1
Sample Form	10-3
Orientation to Cardiac Health and Rehabilitation	10-6
Written Agreement	10-9
Orientation Checklist	10-10
Welcome Letter	10-12
Date and Time Notice	10-13
Class Schedule of Events	10-14
Educational Schedule	10-15

Section 11 – Inpatient Cardiac Health and Rehabilitation

Inpatient Cardiac Health and Rehabilitation Policy	11-1
Inpatient Education Assessment	11-11
Inpatient Teaching Record	11-12
Heart To Heart	11-14
Inpatient Discharge Policy	11-15
Options After Discharge	11-19
Activities After Discharge	11-21

Section 12 – Early Outpatient and Maintenance Services

Early Outpatient Cardiac Health and Rehabilitation	12-1
Therapeutic Lifestyle Change (TLC) Policy	12-18
Individualized Treatment Plan (ITP) Policy	12-26
Individualized Treatment Plan (ITP) Form	12-40
Readiness to Change Questionnaire	12-49
Sample Health Behavior Change Contract	12-51
Psychosocial Considerations and Interventions	12-52
Emotional Assessment Tool	12-58

CES-D Depression Screening	12-60
Physician Supervision and Involvement Policy	12-61
Patient Office Visit Record	12-67
Physician Notification of Patient Event	12-68
Rehabilitation Participation Review Form	12-71
Physician Supervision Log	12-72
Termination of Outpatient Exercise	12-73
Early Outpatient Discharge Criteria	12-75
Early Outpatient Discharge Options	12-79
Maintenance Services	12-81
Sample Programmatic Tools	12-90
Risk Factor Goals	12-90
Healthy Living Goal Record	12-92
Patient Care Conference	12-93
Exercise Efficacy Assessment	12-94
Activities Questionnaire	12-95
Exercise Enjoyment Scale	12-97
Exercise Session Record	12-98
Education Assessment Tool	12-99
Education Needs Assessment	12-100
Education Teaching Record	12-101
Education Class Schedule	12-103
Nutrition Questionnaire	12-104
Nutrition Efficacy Questionnaire	12-106
TLC Food Habits	12-107
TLC Smoking Assessment	12-108
Perceptions Questionnaire	12-110
Heart To Heart	12-111

Section 13 – Special Populations and Considerations

Special Participant Populations	13-1
Heart Failure (HF) & Left Ventricular Dysfunction (LVD)	13-1
Transplant	13-8
Arrhythmia, Pacemaker, ICD	13-12
Diabetes	13-17
Peripheral Arterial Disease (PAD)	13-24
Age & Gender Considerations	13-29

<i>Section 14 – Strength Training and Return to Work/Life</i>	
Strength Training Policy	14-1
Return to Work/Return to Life (RTW/RTL) Policy	14-6
Work/Occupation Evaluation	14-11
RTW/RTL Activity Worksheet	14-12
<i>Section 15 – Home Exercise</i>	
Home Exercise Programs	15-1
Home Exercise Policy	15-1
Individualized Participant Program – Exercise Rx	15-3
Home Exercise Log	15-5
Exertion and Enjoyment Scales	15-6
Warm-Up Suggestions	15-7
Cool-Down Suggestions	15-8
Stretching Examples	15-9
<i>Section 16 – Documentation and Record Keeping</i>	
Documentation and Record Keeping Policy	16-1
Sample Forms	16-6
Initial Assessment Staff	16-6
Participant Health History	16-12
Profile Page	16-16
Participant Evaluation/Satisfaction	16-17
<i>Section 17 – Resources and References</i>	
Organizations and Resource Groups	17-1
Bibliography and Selected References	17-5
