* Why get a CD with a manual?

Answer: Buying a CD with a manual has many advantages, including:

- 1) It gives the user the ability to customize forms, graphs and other materials.
- 2) The user can produce high quality laser copies of material.
- 3) Sections of the manual can be printed out and distributed within a department.
- 4) The manual can be downloaded to a computer for quick access of information.

Please allow 7-10 days for delivery. All manuals have a 30 day money back guarantee if returned to us in resell condition. CDs must be returned unopened or guarantee is voided.
